

Nazareth-in-Berlin Residential Program

3. European Business Economics

Course Title:	European Business Economics
Credits:	3
Subject Category:	Economics or Business Administration (cross-listed)
Program Name:	Berlin Residential Program
Country:	Germany
Host Institution:	Studienforum Berlin e.V.
Description:	Patterns of the European (EU) integration process and the related national economies. Analysis of the institutional transformation of Western Europe from a collection of fractious nation-states to a partially amalgamated European Union. Impact of "widening" and "deepening" of the European Union on the business environment. Analysis of: European monetary and financial structures; capital and labor movements; migration; the refugee challenge and the EU's break-up perspective in the light of Brexit. Prospects of the EU's integration process and its implications for international business relations. Visits to Berlin venues with political-economic significance and to Poland.
